

General Practitioner VR

Make a real difference in people's lives through your generalist medical skills. Help us to ensure patients have equity in access to primary care while growing your clinical skills. Be an integral part of a diverse and multidisciplinary team.

Better Access Medical Clinic in Bowen Hills, Brisbane is a well-established, urban fringe, bulk billing, AGPAL accredited General Practice, with experienced Medical Practitioners and a supportive and friendly team of wrap-around holistic supports.

An opportunity exists for a General Practitioner, with an interest in alcohol and other drugs, to join our relaxed and friendly environment.

Why practice with us, what we offer -

- Wide variety general practice with specialties that include alcohol and other drugs, sexual health services, and care plans for mental and physical health.
- No weekend, out of business hours, or on-call work
- Flexibility to accommodate your preferred hours – part-time or full-time.
- Flexibility in remuneration, you choose either:
 - Employee model – have the consistency of an annual salary package from \$212,000 (negotiable depending on experience), including; annual and personal leave entitlements, 3 days additional company leave and public holiday leave, superannuation, and generous salary packaging options options (up to \$15,900 + \$2,650 meals and entertainment)
 - Contractor model @ \$150 per hour minimum hourly guarantee with option of 70/30 gross billings
- Option to book longer appointments to address client needs or provide care plans
- Meet your CPD requirements during practice hours through internal meetings, development opportunities, and quality improvement activities
- Work collaboratively alongside other GP's and Registered Nurse/s
- Supported by auxiliary programs and staff such as:
 - social workers and counsellors
 - nurse practitioners
 - outreach registered nursing staff
 - harm reduction educator staff
 - lived / living experience peer staff

What you will bring -

- Your passion and non-judgmental style to interact with a diverse and complex population
- Effective interpersonal skills
- Experience performing health checks
- QOTP registered (or willing to achieve)
- Fellowship of General Practice (VR GP)
- Membership with Australian Health Practitioner Regulation Agency (AHPRA)
- Professional indemnity insurance
